Cankids feel proud to inform you that all the above mentioned children who have applied for the First Ever National Childhood Cancer Scholarship Program each will receive a certificate of appreciation which we are sending to the treating doctors. We feel it would be apt for the applicants to receive their certificates from their doctors who have inspired them to do well despite the fact that they are fighting the disease.

Cankids would really like to thank and appreciate your efforts the doctors have taken in order to send the applications for the event. We congratulate all the awardees and celebrate each applicant. Although the applicants were not selected as winners but in no way they are less than winners, they are a symbol of hope and courage to other children who are battling the disease.

Thanking you

Poonam Bagai
